Dear Sir or Madam

My name is Darchelle King and I am very interested in starting my modeling career. I have in-studio and on-location experience. I've worked alongside a creative team and feel that I would be a good candidate for any potential roles or gigs that may be available.

For your convenience I have attached my website for your review:

You may contact me for further information. The following are some of my key skills and achievements: I have done lingerie and bikini modeling for the runway, acted in 3 college plays, and sang for a worldwide professional choir for 2 years. I'm an easygoing island girl, born and raised in Hawaii, on the east side of Oahu. Like most islanders, I am of mixed ethnicity, comprised of 4 different races: Hawaiian, Chinese, Korean, and Greek. I love going to the beach, exercising, dancing, singing, and cooking all types of ethnic foods. Thank you so much for your consideration and for the opportunity to break into modeling. I look forward to hearing from you.

Sincerely,
Darchelle King
